Case No. 2018CV34766

Div. Courtroom 209

**PROPOSED ORDER GRANTING PLAINTIFFS' MOTION TO APPROVE AND  
DISSEMINATE CLASS NOTICE**

Before the Court is Plaintiffs' Motion to Approve and Disseminate Class Notice (the "Motion"). The Court finds the notice satisfies the requirements of Colo. R. Civ. P. 23(c)(2)(A)-(C) and contains all necessary information necessary to enable class members to make an informed decision about their participation.

The Motion is GRANTED, and it is hereby ORDERED that the proposed class notice attached as Exhibit 1 to the Motion is approved, the notice procedure set forth in the Motion is approved, and Epiq Systems, Inc. is appointed to supervise and administer the notice procedure. It is further ORDERED that

- Epiq shall distribute the class notice via first class U.S. mail using Health Insurance Portability and Accountability Act ("HIPAA") compliant procedures. Epiq will mail the notice in thicker envelopes, without transparent address windows, and with an extra sheet of paper to protect the contents from being externally visible.

- Epiq will use the mailing addresses Defendants provide for the class members. Epiq will make a reasonable effort to update the addresses. For all individual notices that are returned as undeliverable, Epiq will make reasonable efforts to obtain a current mailing address, and re-mail the class notice to the class member's last known physical address.
- Epiq will coordinate with counsel to develop a website providing detailed information about this litigation, which will include copies of the class notice and relevant pleadings and orders.
- Epiq will implement a dedicated toll-free telephone number at which class members can listen to recorded information or speak with a live agent about the case.

DATED this \_\_\_\_ day of \_\_\_\_\_, 2022.
